At last night's session of the city uncil, attention was called by the yor to the necessity of having a cultable provision made by the Legislature for the care of the poor of Ogden while the bill is preparing for the same purpose for Salt Lake.

THEORIES ABOUT CATARRH. Peculiar Ideas Regarding a Common Disease.

Mark Twain's cure for a cold in the head was simple, but he claims very ef-fective in his own case; his plan was to at nothing whatever for twenty-four nours or presumably until the trouble Although not able to speak from personal experience as to the effectiveness of this treatment, it certainly has the

merit of extreme economy, but it oca case of nasal catarrh might be at-Catarrh, as everyone knows, is a chronic cold in the head, and Mr. Iwain's treatment, if it should become a fad, would make of us a nation of fasters; an army, emulating the exam-ple of the immortal Tanner who

chieved world wide fame by fasting orty days. Catarrh is certainly becoming a national disease and there is little doubt but that errors in diet, particularly ver-eating is a very common cause.

Most people, however, are more interested in the cure of the trouble than the cause, and modern medical science

has produced more effective and less heroic remedies than Mr. Twain's Hydrastin is a new remedy, very ef-ective in some forms of Catarrh. Red Gum is another which on account of its antiseptic properties is very valuable, while many severe cases of Chronic Catarrh have been entirely cured by the sanguinaria or extract of

Within a year an enterorising chemist has combined all of these remedies in tablet form, palatable and convenient and the superiority of this tab-let over other catarrh remedies is so apparent that all druggists now carry hem in stock to supply the popular de-

They are called Stuart's Catarrh Tablets, and it is doubtful if any medicine has achieved a national popularity in so short a time as this.

Stuart's Catarrh Tablets are used by thousands of traveling men because they can be carried in the pocket and used any time and in any quantity being free from Cocaine, oplate or any isonous drug.

They clear the head and throat from the disgusting secretions of catarrh, very often in a few hours' time.

For nasal Catarrh they are far superior to any wash, lotion or ointment the use of which is often in inconven-ient and annoying as the disease itself. For coughs, colds, bronchial catarrh and catarrh of stomach these tablets give immediate relief and a permanent cure where lotions, douches and inhalers make no impression whatever.

This preparation is a boon to catarrh sufferers and any druggist will tell vot that Stuart's Catarrh Tablets is a remedy that has come to stay.

The items of \$57,75 and \$2.60 have been paid out of the contingent fund in the hands of your committee Acting under the advice of former County Attorney George Halverson, and the present incumbent of that of-

E. T. Hulaniski, the board declined to supply persons who, through contagious diseases, have been placed under quarantine by the officials of Ogden city, when they were not regular recipients of aid from the county and were only made destitute through the establishment of the quarantine by the city. The attorneys referred to are of the opinion that it is the duty of Ogden city to provide for the wants of those persons who are placed under quarantine by Ogden city, and wherein it makes them indigents. At no time has the county refused, when any of the persons receiving regular assistance from the county have been quarantingd, to sistance, but in line with the county at-torney's opinion has universally declined to grant assistance to those persons who are made destitute by Ogden

city establishing a quarantine. Hon. Henry H. Rolapp, judge of the district court, has not, as has been er-roneously stated, ruled that it is the duty of the county commissioners to provide for such, because this matter has not been brought before the judge so that he might pass upon it in his

It will also be seen by this report that even if Ogden city does pay, as is represented, seven-eighths of the Weer county taxes, then the poor persons of Ogden city, living within Ogden city limits, have received much more

which has been actually expended dur-ing the past month for the relief of poor and indigent persons, and I am safe in saying that this showing can be taken as a guide or rule to be applied to the other eleven months of the year. The amount of \$685.65 does not include any portion of the money expended for the majoranase of the money expended for the maintenance of the county poor house or infirmary. In this building we now have 25 inmates, 20 of whom have a legal residence in Ogden city, and of the remaining number one each has a legal residence in the settlements of North Ogden, Pieasant View, Riverdale, Huntsville and West Weber. Hence the poor living within the limits of Ogden city receive the lion's share of the benefits of this very necessary institution. Neither have I included in the statement submitted any items for drugs and medicines furnished to the poor, nor the monthly salaries of the county physician and the statement submitted any items.

physician and of the clerk of the committee on poor, which items, if included, would increase the monthly expenditure to about \$800.00. I might remind you here that Weber county discursed during 1902 for the relief of sick and otherwise dependent poor persons within Weber county a total of \$11,832.74. This covers everything expended in that behalf, and it will be seen that the monthly average is \$986:14, slightly more than the total herein shown for the result of the second side. herein shown for the month of January,

I am safe in saying that 19-20ths of the total amount expended during 1902 went directly for the relief and assistance of poor persons living within the limits of Ogden City and for those at the infirmary who have a legal residence in Ogden city limits. So it can be readily seen that the poor persons of Ogden City have received far more than seven-eights of the total amount expended from the William City have be total amount expended from the William City and the city of the total amount expended from the William City of the total amount expended from the William City of the city from the Weber county taxes and that this board is doing its full duty in the premises. In supplying the wants of I, as far as the means of the county will permit and as the necessities of each particular case seem to require sonably be expected, and has at all times endeavored "to care for those indigent sick and otherwise depended poor persons living in Weber county.

DEATH OF J. K. GREEN. Succumbs to Hemorrhage of the

Lungs-Indian Couple Wed. Special Correspondence.

Brigham City, Boxelder Co., Jan. 31. There is universal regret over the death of J. K. Green, a prominent and much respected citizen of Manila precinct, which took place-on Sunday last, Jan. 25. from hemorrhoom of the head of the last. 25, from hemorrhage of the lungs. He was born on the Cape of Good Hope, South Africa, Sept. 25, 1838, and was baptized in the Church of Jesus Christ of Latter-day Saints in 1855. He emi-grated to Utah in 1863, and was one of the first missionaries called to settle Arizona and after that he returned to Utah. He worked three years for President Brigham Young and in 1879 settled in the Bear River valley, where he lived and labored against the greatest odds, and made a good home.

He leaves behind a wife and 11 children to cherish the memory of a de-voted husband and kind father, and who will miss the kind advice and direction of a husband and father whose first thought was ever for his family and home. Mr. Green was a faithful Latter-day Saint; he died sitting in his chair with the most of his family around him. The funeral services vere held in the Elwood meetinghouse,

Morgan, Morgan Co., Jan. 31.—On Sunday, Jan. 25, train No. 5, westbound, while coming into the station, ran into Daniel Williams, one of our oldest citizens, he being in his 79th year. There were two other trains on the switch, and the engineer of the incoming train did not observe him and failed to give the signal or ring the bell. The noise of the engines on the track confused the old gentleman and he did not notice the incoming train. The beam of the cow catcher caught him in the side, breaking two ribs, and in falling his head and face were very badly cut and bruised. Dr. Osgoos time he is in a fair way to recovery. ### SENATE KILLS TWO MORE BILLS

Plays Ping Pong With Bamberger's Drunkard's Relief Measure.

RAILROADS GAIN THEIR END

After Lively Discussion Gardner's Bill is Committed to the Tomb.

The work of the senate yesterday af choon consisted principally in playg ping-pong with bills that came up, n their third reading.

The most clusive measure of them all was Senator Bamberger's bill on behalf of drunkards. When it was brought up as a special order at 3 o'clock, Senator Johnson naturally fell into a belligatent attitude. "Mr. President." he exclaimed, "I am still opposed to the bill and hope it won't become a law We ill and hope it won't become a law. We icense the saloons and then ask our onstituents to take care of the drun ards turned out by those saloons. We

Senator Gardner was in favor of dong something to reclaim drunkards, ut he did not think this bill was the Senator Barnes said he favored e measure, but he was interrupted Senator Johnson, who asked, "Why not make the saloon men pay for the treatment of their victims?" "If the enator will introduce such a measure assure him I will support it," replied enator Barnes.

the motion failed. Lawrence moved that the bill be sent back to the committee on counties and municipal cor-porations and Johnson opposed it, complaining that the state had already spent from \$400 to \$800 on the bill, and thought that was enough. However wrence's motion carried and the bil ill be given another chance.

Much discussion was had over Rep esentative Hawley's bill, No. 13, makng grand larceny punishable by fine and imprisonment. The measure finalpassed with Senator Whitmore casting the only negative vote.

Senate bill No. 61, a substitute for
H. B. No. 19, was passed unanimously

in the senate. The new measure gives the state superintendent of public instruction power to advertise for new bids if no satisfactory proposals are received for the furnishing of school fext-books. It also provides that the contracts entered into in 1902 shall not expire till July 1, 1908.

Senator Lawrence introduced bill No. 67, providing for four judges in the Third judicial district, instead of three, and also for the governor to appoint the extra judge to serve until the first Monday of January, 1905. The president explained that the bill had been sent up to the buse; that it was therefore out of the ands of the senate. On motion of Sennion a messenger was dispatched

o the house to get the bill. Senator Bamberger moved the recon-sideration of S. B. 48, relating to judges salaries. Lawrence opposed it, and de-clared that it also was out of the hands of the senate, having been sent to the house. Senator Johnson made a motion to send for it, but the motion falled. Miss Rose Peterson, Secretary Parkdale Tennis Club, Chicago, from experience advises all young girls who have pains and sickness peculiar to their sex, to rely on Lydia E. Pinkham's Vegetable Compound.

How many beautiful young girls develop into worn, listless and hopeless women, simply because sufficient attention has not been paid to their physical development. No woman is exempt from physical weakness and periodic pain, and young girls just budding into womanhood should be carefully guided physically as well as morally.

If you know of any young lady who is sick, and needs motherly advice, ask her to write to Mrs. Pinkham at Lynn, Mass., who will give her advice free, from a source of knowledge which is unequaled in the country. Do not hesitate about stating details which one may not like to talk about, and which are essential for a full understanding of the case.

THE CHILDREN ENJOY Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and sweeten and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome an ! the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is-Syrup of Figs-and for the same reason it is the only laxative which should be used by fathers and mothers. Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle-Syrup of Figs. Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company-CALIFORNIA FIG SYRUP CO .- is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.
